

LAUNDRY NEUTRALIZER

PRODUCT USES

A combination laundry sour and rust-remover. Prevents rust stains, yellow spots, and graying by removing alkaline residue and by sequestering iron and hard water minerals.

OPERATOR BENEFITS

- Eliminates iron deposits and rust stains.
- Neutralizes detergent alkalinity to prevent skin irritations.
- Prevents graying and yellowing.

DIRECTIONS FOR USE

For use in automatic dispensing systems:

1. Carefully open the container to prevent spilling and splashing.
2. Insert the appropriate pickup tube into the container.
3. Laundry Neutralizer is then dispensed automatically into the washwheel.
4. Check container on a regular basis to be sure it is not empty.
5. Replace when empty.

For best results, use 2 oz. - 4 oz. to 50 lbs. of dry laundry.
